# Statement of Compliance with REACH - Substances of Very High Concern (SVHC)

The REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) Regulation aims to:

- Provide a high level of protection for human health and the environment
- Make manufacturers and importers responsible for managing risks
- Allow free movement of substances on the EU market
- Enhance the competitiveness of the EU chemicals industry
- Promote alternative methods for hazard assessment

In addition, it:

- Requires manufacturers and importers to gather hazard information and assess risks
- May require authorisation for certain particularly hazardous substances
- Restricts the marketing and use of certain chemicals

We confirm, to the best of our knowledge and based on information provided by our suppliers, that the products supplied by Mecatix SA comply with the requirements of the REACH Regulation (EC) No 1907/2006.
They do not contain any Substances of Very High Concern (SVHC) above 0.1% (w/w), as listed in the latest Candidate List published on 4 February 2026.
